

Wivelele brings a smile to Huish

November 17th, 2019: Wiveliscombe's renown ukelele ensemble, WIVELELE, played to a packed and happy house at Huish Champflower Village Hall on Friday 15 November. More than 80 guests braved the weather to enjoy a delicious supper followed by music and song – just the ticket to raise the spirits on a cold, windy mid-November evening. The gig raised around £500 towards the refurbishment of the hall, which the management committee hopes to start work on next autumn. *The planned Christmas party, featuring dancing to The Over The Hills Band on 13 December has been postponed because it clashed with the general election. Watch this space for a new early spring date!*
