Huish Champflower Coronavirus Community Support

During the current coronavirus pandemic crisis, you may be reassured to know that local residents are available to help and advise to the best of their ability should you find yourselves in difficulty for any reason.

The Parish Council is coordinating a local support group that can be contacted at Help@HuishChampflower.org. Email requests will go to a group of parish residents, at least one of whom will respond as soon as possible. (Please remember to include your name and contact number.)

In the event of your problem being more urgent please use one of the telephone numbers listed below.

Christopher Chanter	07811371149
Ken Forey	623911
Stephen Kimsey	623857

Peter Krijgsman (623354) is the contact for matters related to the Village Hall. The Village Hall is currently closed to comply with the “lockdown” affecting pubs and clubs etc. This will be reviewed in light of developments.

For matters connected with the Church, please call Denise Broome (624395).

Wiveliscombe Community Centre (624777) is also offering support.

A Facebook page has also been set-up for the broader community – “10 Parishes community support- Coronavirus”.

Please remember that requests for medical assistance should follow the instructions already issued by the NHS. If you need these instructions to be sent to you, the support group can do this. Links are also available on the parish website (huishchampflower.org).

Most residents will have taken steps to meet the challenges of this situation, which is unprecedented. We hope that you will feel comfortable in reaching out to this group for support, should either loved ones or friends not be available for whatever reason.

Stephen Kimsey
Huish Champflower Parish Council
